Macklin Credit Union announces legacy donation

When it comes to bringing a community together, few places are as tied to gatherings as the local community hall, curling rink and arena.

Macklin Credit Union will contribute up to a maximum of \$1.5 million towards the completion of the paving project at the Communiplex. The project consists of paving the entire parking lot as well as areas around and between the buildings.

These funds were made available as a result of the merger with Synergy Credit Union and represents a portion of the equity accumulated by Macklin Credit Union over the past 80 years of operation.

“We are proud that Macklin Credit Union is able to contribute to this vital valued and much needed project in our community,” said Macklin Branch Manager Charlene Walz-Gette. “We know people in Macklin and surrounding communities will appreciate the improvement to the parking area.”

The hall was completed in 1990 and the Arena in 1997. It is with great pride, that on behalf of our members, we have made this contribution to the paving project which finally gives a finishing touch to the facilities.

In recognition of the contribution, the name of the Communiplex will be the Macklin Credit Union Centre.
