## **Synergy Celebrates 75<sup>th</sup> with additional ProfitShares deposit to members' accounts**

Lloydminster, Sask. – ProfitShares are what sets Synergy Credit Union apart. And as part of our 75<sup>th</sup> anniversary celebrations, we want to share even more.

Members are encouraged to check their account statements this month as Synergy will be adding an additional deposit into members' personal and business accounts. Thank you to our members!

As member-owners, members share in the profits of Synergy Credit Union. The more business they do with qualifying products, the greater their share. It is the Board of Director's policy to dedicate 20 per cent of all pre-tax profits to the ProfitShares program.

Each fall, Synergy pays out cash to members who reach a certain level in their ProfitShares accounts (\$10,000 for individuals, \$30,000 for businesses/organizations).
