## **Synergy celebrates successful year leading into 75th anniversary**

Lloydminster, Sask. – Synergy Credit Union members will be celebrating a successful 2017 during its annual general meeting on March 28.

Synergy executive and board of directors are excited to share numerous achievements. The credit union's financial landscape has improved in the last year, with optimism heading into 2018. Since the ProfitShare program inception 35 years ago, a share of Synergy's profits is returned to members in the form of ProfitShares; this year Synergy is pleased to allocate \$2.9 million to members' ProfitShares accounts.

The organization continues to receive several accolades, such as Sask Business Magazine ranked Synergy as one of the Top 100 Companies in Saskatchewan and in early 2018, Synergy was recognized as a Top Employer in Saskatchewan.

"These recognitions show that what we're doing is on the right track," said Synergy CEO Glenn Stang. "The Top Employer award is special because we strive to be an employer of choice, attracting the best people possible. To have your culture recognized in this way is very much appreciated."

Synergy Credit Union proudly continues its strong commitment to community organizations and in 2017 donated nearly \$200,000 to local groups and events. Additionally, employees volunteered more than 11,000 hours to help make our communities and regions better places to live.

Synergy is proud to be celebrating its 75th year, incorporated in 1943, and have celebrations planned for each of its 10 branch locations.

"We have to thank our members for their support over the last 75 years," said Board Chair Don Wheler. "Because of them we are able to give back and be strong partners in our communities."

The annual general meeting will take place at the Paradise Hill Community Centre with beef on a bun at 11:30 a.m. and the meeting to follow.
