Building a community together

St. Walburg, Sask. - Four local organizations are coming together with one goal – to help grow the community of St. Walburg.

The Town of St. Walburg has 12 lots for sale in the new development of Pioneer Crescent. The lots are already fully serviced with water, sewer electrical, curbs and pavement. As a bonus, there are reduced property tax rates for the first five years, including no charge for the first year. The lots start at \$30,091.

The Town has partnered with Synergy Credit Union, Lake & Country Realty Ltd. and Home Hardware to make the purchase of the available lots simple and cost-effective.

“St. Walburg is a dynamic, thriving community with so much to offer,” said Mayor George Prudat. “We hope that people from within and outside the community will take advantage of this fantastic opportunity.”

Synergy Credit Union has partnered to provide financing for the lots. Synergy is offering:

- Flexible repayment options to best meet your needs
- Variable and fixed rate options
- Advice from a Synergy expert advisor to help build a customized plan that works for you
- For qualified borrowers, Synergy Credit Union has special rate financing options to help with the down payment when you proceed with a mortgage.
