We will respond to reports of a problem or unauthorized Transaction in a timely manner and will, within a reasonable period of time, thereafter, indicate what reimbursement, if any, will be made for any loss incurred by you. Reimbursement may, but will not necessarily, be made for losses from a problem or unauthorized Transaction in this time frame provided that you have complied with this Agreement and on the balance of probabilities it is shown that you took all reasonable and required steps to:

- (e) we have no responsibility or liability to you in respect of services provided by a Third Party Service Provider;
- (f) any dispute that relates to services provided by a Third Party Service Provider is strictly between you and the Third Party Service Provider, and you will raise no defense or claim against us; and
- (g) the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act and Regulations* may apply to the services provided by Third Party Service Providers and that the Third Party Service Provider may, from time to time, adopt policies and procedures to address the reporting, record-keeping, client identification, and ongoing monitoring requirements of that legislation.

19. INDEMNITY – You agree to indemnify and hold us and our Third Party Service Providers and all of their connected parties and affiliates (collectively, the “**Indemnified Parties**”) harmless from any liabilities and costs (including reasonable legal fees and expenses) incurred by the Indemnified Parties in connection with any claim or demand arising out of your use of Electronic Services. You agree to reasonably assist and cooperate as required by the Indemnified Parties in the defense of any such claim or demand. Without limiting the foregoing, you agree to indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential, incurred by the Indemnified Parties as a result of:

27. REMOTE DEPOSITS – “Remote Deposit Service” means the remote deposit capture service provided by us and/or any Third Party Service Provider, and accessed through Electronic Services, that allows you, using an authorized Electronic Device to create, transmit, and receive to the benefit of us an Official Image for deposit to the Account. If we, through Electronic Services, make the Remote Deposit Service available and you use the Remote Deposit Service, you acknowledge and agree that:

- (a) solely for the Remote Deposit Service, we appoint you as our agent, to act on behalf of us in the creation and transmission of an Official Image to us, and any other related duties that may be required by us, all in accordance with the Rules and applicable legislation governing Instruments. In this context, transmission to and receipt by us of the Official Image will have the same effect as if the Instrument was delivered to a branch of Synergy Credit Union for negotiation and clearing. You acknowledge and agree that this role as agent cannot be further delegated by you. Further, you acknowledge and agree that you shall be personally responsible and liable for:
 - (i) compliance with this Agreement,
 - (ii) maintaining adequate security over any Electronic Device used, the location of use of the Electronic Device, and any passwords so as to prevent use by others or interception of data transmitted,
 - (iii) ensuring that all Official Images created and transmitted are of good quality and fully and accurately capture all material details of the Eligible Bill,
 - (iv) maintaining adequate safeguards and procedures for the preservation of originals of all Eligible Bills transmitted as Official Images, and

- (v) verifying that deposits expected to be made to the Account reconcile with dates and amounts applicable to transmissions made using the Remote Deposit Service and for providing immediate notice to us in the manner set out in the section titled “Notices” in this Agreement of any errors, omissions, irregularities, or concerns about suspicions of fraudulent Instruments or compromise of the security applicable to the use of the Remote Deposit Service;
- (b) we may, upon receipt of what reasonably appears to qualify as an Official Image, treat such as an Official Image and, as if it were an original of an Instrument received at a branch of Synergy Credit Union, subject to the Account Agreement and any our policies governing Instruments;
- (c) the creation of an Official Image will be done using a method authorized by us, in our sole discretion, from time to time. Further, you agree to take all proper and necessary precautions to prevent any other person from purporting to create or transmit an Official Image to the credit of your Account;
- (d) nothing in this Agreement obliges us to accept for deposit any item, whether it is or claims to be an Official Image. You shall not claim to create or transmit an Official Image of any item that does not qualify as an Eligible Bill or any item that is post-dated, stale-dated, received by you from anyone other than the drawer of that item, or that is in any way altered. If you have any suspicions or concerns about the authenticity, validity, negotiability, or chain of title to any item purporting to be an Eligible Bill, then you shall not seek to use the Remote Deposit Service for negotiation or collection of that item, but will instead bring the original of that item to the counter of the branch of Account, identify the specific concerns to us, and fully disclose all material facts known by you relating to that item and fully cooperate with any inquiry or investigation of the concerns;
- (e) under the Remote Deposit Service, Eligible Bills are restricted to those Instruments that are paper cheques (including a bank draft or a Receiver General warrant) in Canadian dollars, drawn on a financial institution branch domiciled in Canada, as and if applicable, in the sole discretion of Synergy Credit Union, from time to time. You shall not seek to use the Remote Deposit Service to deposit any Instrument into an Account different than the currency denominated on the Instrument. Canadian dollar Instruments shall only be deposited to a Canadian dollar Account.
- (f) Official Images received through the Remote Deposit Service are subject to number and dollar limits that may change from time to time without prior notice to you;
- (g) any Transaction made on any day or at any time during which Synergy Credit Union is not open for business, may be credited to the Account on the next business day that Synergy Credit Union is open for business;
- (h) once an Official Image of an Eligible Bill has been transmitted to us through the Remote Deposit Service, no further Official Images of that Eligible Bill will be

created or transmitted through the Remote Deposit Service (or any other similar service) unless you are requested to do so by us in writing. Further, you agree to make no further use of the original of an imaged Eligible Bill, and shall safely retain possession of the original of the Eligible Bill without further negotiation, transfer, or delivery to any other person or holder. In addition to all obligations and responsibilities either set forth in this Agreement or elsewhere, you agree to indemnify and hold Synergy Credit Union and its Third Party Service Providers and all of their connected parties, including, without limitation, their respective agents, directors, officers, employees, affiliates, and licensees (collectively, the “**Indemnified Parties**”) harmless from and against any and all liabilities and costs, including, without limitation, reasonable legal fees and expenses incurred by the Indemnified Parties in connection with any claim or demand arising out of or connected to your use of the Remote Deposit Service or duplicate negotiation of items that were at any time presented as Official Images of Eligible Bills. You agree to assist and cooperate as fully as reasonably required by the Indemnified Parties in the defence of any such claim or demand. The disclaimers, liability exclusions, liability limitations, and indemnity provisions in this Agreement survive indefinitely after the termination of this Agreement and apply to the extent permitted by law. Without limiting the foregoing, you will indemnify and save the Indemnified Parties harmless from and against all liability, costs, loss, expenses, and damages, including direct, indirect, and consequential incurred by the Indemnified Parties as a result of any breach of this Agreement, or any claims arising from or relating to misuse of Official Images or items purporting to be Official Images, or negotiation of Eligible Bills where an Official Image has also been transmitted for collection;

- (i) on transmission of an Official Image of an Eligible Bill to us, you are responsible for immediately marking the face of the Eligible Bill with a blatant notation or mark that prevents renegotiation of the Eligible Bill and indicates that the Eligible Bill has been imaged and transmitted, taking care not to obliterate any material particulars of that Eligible Bill (for example: this can be done by writing “void” or “paid” or placing a diagonal stroke across the face of the item with a pencil, pen, or brightly colored highlighter). For a period of 120 days after transmission of the Official Image to us, or such shorter period as stipulated by us in writing, you shall retain and produce to us on written request the original of all imaged Eligible Bills. If you receive a written request to retain or produce, you will comply with the written request, and shall, if requested, produce, by delivering to us, the original of all specified Eligible Bills within 5 business days of such request. If you fail to comply with the written request made pursuant to this provision, then we can place a hold on or reverse any credit made to the Account in relation to those specified Eligible Bills, even if such creates an overdraft on the Account. If no written request is received within that time, then 120 calendar days after an Official Image has been transmitted to us through the Remote Deposit Service or such shorter period as stipulated by us in writing, and provided that you have verified a credit to the Account that reconciles to the Official Image transmitted, you agree to immediately proceed with destruction of the original of the Eligible Bill in accordance with the Rules and applicable law governing Instruments. Destruction methods include

shredding, pulping, burning, or any other means that ensures that the original Instrument cannot be reused;

- (j) you are responsible for any and all costs associated with obtaining a replacement Instrument in the event that we request that you re-transmit an Official Image in accordance with (h) above, and the original Instrument was destroyed in accordance with (i) above or otherwise lost;
- (k) in our sole discretion, electronic notices for purposes related to the Remote Deposit Service may be generated and sent to you at the Notice Contact Information after you use the Remote Deposit Service to transmit an Official Image, including to advise you of the receipt by us of an Official Image. To receive such electronic notices, you agree to provide the Notice Contact Information required by us;
- (l) an electronic notice, if any, sent in connection with the Remote Deposit Service is for information purposes only and is no guarantee that the Official Image will be accepted by us or that the Account will be credited; and
- (m) we will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of use of the Remote Deposit Service, including, but not limited to, a delay in processing a Transaction or Synergy Credit Union requiring you to obtain another Instrument.

28. ONLINE PAYMENT – If we, through Electronic Services, make the Online Payment Service available and you use the Online Payment Service, you acknowledge and agree that:

- (a) the following terms will have the following meanings in this section (and elsewhere in this Agreement):
 - (i) “**Online Payment Service**” means the online payment service provided by a Third Party Service Provider that facilitates the sending and receiving of money through Electronic Services and the Third Party Service Provider to Participating Financial Institutions for the purchase of goods and services from Participating Merchants; and
 - (ii) “**Participating Merchant**” means a merchant that offers the Online Payment Service as an online payment option on the merchant’s website.
- (b) the Online Payment Service is only available in Canadian dollars from Participating Merchants;
- (c) Transactions for the Online Payment Service must be initiated by you through the appropriate online payment option available on the website of a Participating Merchant;
- (d) as soon as you authorize a Transaction through the Online Payment Service, and provided that there are available funds or credit, the amount of the Transaction will

be withdrawn from the Account or a hold will be placed in the amount of the Transaction. We will hold the Transaction amount until the Participating Merchant successfully claims the Transaction or 30 minutes have elapsed, whichever comes first. We have no obligation to and will not pay interest on the Transaction amount. To the extent permitted at law, we are deemed to have a security interest in the Transaction amount from the time the Account is held until the Participating Merchant successfully claims the Transaction or the hold is removed;

- (e) Transactions sent and received through the Online Payment Service are subject to number and dollar limits that may change from time to time without prior notice to you;
- (f) we will not be responsible or liable for any losses or damages incurred as a result of funds held and/or limits set by us, any Third Party Service Providers, a Participating Merchant, or a Participating Financial Institution;
- (g) we, the Participating Financial Institution, and any Third Party Service Providers are entitled to pay the Transaction amount to anyone who claims to be the Participating Merchant and provides the payment authorization details within 30 minutes of the Transaction being authorized by you;
- (h) we will not be liable for losses or damages incurred as a result of a person other than the intended Participating Merchant receiving the Transaction amount;
- (i) if the Participating Merchant cancels, declines, or fails to claim a Transaction that you authorized, the Transaction amount will be reinstated after 30 minutes have elapsed since the Transaction was authorized. However, we cannot guarantee the date or time that the hold on the Transaction amount will be removed;
- (j) we or any Third Party Service Provider may cancel a Transaction once it is authorized but before payment authorization details are sent to the Participating Merchant, if there is reason to believe that a mistake has occurred or that the Transaction is a product of unlawful or fraudulent activity;
- (k) once payment authorization details have been sent to the Participating Merchant, a Transaction cannot be cancelled. Payment authorization details are sent immediately after a Transaction is authorized by you;
- (l) all disputes, including requests for refunds, will be handled directly between you and the Participating Merchant without the participation of us or any other party. A refund, if any, may be received through Electronic Services and any Third Party Service Provider for credit to the Account, or through such other method the Participating Merchant deems appropriate;
- (m) we may refuse, in our sole discretion, to provide the Online Payment Service for you;

- (n) in our sole discretion, electronic Notifications for purposes related to the Online Payment Service may be generated and sent to you at the Notice Contact Information after you authorize a Transaction, including to advise you that the Account has been debited. To receive an electronic Notification, you agree to provide the Notice Contact Information required by us;
- (o) an electronic Notification, if any, sent in connection with the Online Payment Service is for information purposes only and is no guarantee that the Participating Merchant will successfully claim the Transaction or that you have successfully purchased the product or service from the Participating Merchant; and
- (p) we will not be liable for any cost, expense, loss, damage, or inconvenience of any nature or kind whatsoever arising as a result of using the Online Payment Services, including, but not limited to, a delay in processing a Transaction or a Participating Merchant failing to claim a Transaction.

29. VIEWING CHEQUE IMAGING – We may, in connection with Electronic Services, permit you to view and print images of Instruments (including certain void Instruments) drawn on the Account and such images may be made available before we have determined whether the Instrument will be honoured or accepted. You acknowledge and agree that such images are made available by us as a service to you and the provision of such images does not mean that the Transaction has been processed, nor does it in any way oblige us to honour or accept the Instrument.

30. STOP CHEQUE – We may, in connection with Electronic Services, permit you to make a request to stop a cheque payment that has not yet been completed (the “**Stop Cheque Service**”). If we or any Third Party Service Provider, through Electronic Services, make the Stop Cheque Service available and you use the Stop Cheque Service, you acknowledge and agree that:

- (a) a stop payment is an instruction by you to us to refuse payment if that cheque is presented to us for payment. A release of stop payment negates a stop payment;
- (b) you acknowledge that we cannot stop payment of a cheque which has cleared the Account or has been negotiated at a Credit Union branch and a cheque can only be stopped if all information required by the on-screen prompts is provided including the number of the Account on which the cheque is drawn, and the serial number, date and amount of that cheque;
- (c) we may accept your instruction to stop payment on a cheque without determining whether the cheque has been honoured on presentment;
- (d) you agree that we are not liable for any cost, expense, loss, damage or inconvenience of any nature or kind whatsoever arising from us complying or failing to comply with a stop payment or a release of a stop payment; and
- (e) the stop payment instructions will not be processed if there are not sufficient funds in the Account for the Stop Payment Services charge.

- 31. VIEWING DOCUMENTS** – We may, in connection with Electronic Services, permit you to view and print images of documents. You acknowledge and agree that such images are made available by us as a service to you and the provision of such images does not in any way oblige us to permit you to view and print images of documents.
- 32. DIGITAL WALLET** – A digital wallet is a mobile device application that allows you to make a payment with your Debit Card by waving your mobile device near a payment terminal, without needing to insert the Debit Card in the payment terminal, and without necessarily having to enter a Password or any other Proof of Identity. You may only use digital wallets that have been approved by us, and we may, in our discretion, withdraw that approval. Digital wallets may be used at participating merchants, for payments up to a maximum amount determined by us, the merchant, or the digital wallet provider.

Your use of a digital wallet is governed by your agreement with the digital wallet service provider. The digital wallet service provider is responsible for the performance of the digital wallet. We are not responsible for any problems experienced with the digital wallet.

The collection, use and disclosure of your personal information is governed by our privacy policies. In addition, you agree that we may collect, use and disclose personal information about you, including information related to your Account(s) and use of a digital wallet, in order to verify your identity and to facilitate your use of a digital wallet. You understand that use and disclosure of your personal information by Third Parties may be governed by additional privacy policies in force between you and Third Parties, such as a digital wallet service provider. You are solely responsible for identifying, understanding and complying with all additional privacy policies.

To help protect you and us from error and criminal activities, we and a digital wallet service provider may share information reasonably required for such purposes as fraud detection and prevention (for example, informing a digital wallet service provider if you notify us of a lost or stolen device). You understand and agree that we may aggregate and anonymize information relating to your spending and Transactions for analysis purposes and may share that anonymized information with digital wallet service providers.

You agree to receive communications from us, including emails to the email address or text message to the mobile number you have provided in connection with your Account. These communications will relate to your use of your Debit Card in a digital wallet. You agree to update your contact information when it changes by contacting us. You may also contact us if you wish to withdraw your consent to receive these communications but doing so may result in your inability to continue to use your card(s) in a digital wallet.

To add a Debit Card to a digital wallet, you must follow the instructions provided by the digital wallet service provider and any additional instructions provided by us. In some circumstances, we may not allow a Debit Card to be added to a digital wallet. We may terminate or suspend use of a Debit Card with a digital wallet for any reason at any time, with or without notice to you.

We do not currently charge any additional service fees when a Debit Card is used through a digital wallet. However, we will charge the service fees generally applicable to the use of the Debit Card. You are responsible for any service fees imposed by the digital wallet service provider, your phone company, or any other person.

You must maintain the security of your Electronic Device by protecting it with a secure access code or biometric, by knowing its location at all times, and by keeping it up to date with the latest operating system software, security patches, and anti-virus and anti-spyware programs. You must only use the latest version of the digital wallet.

You must protect and keep confidential your Proof of Identity and all other credentials you use to log into your Electronic Device, to use the digital wallet, and to make payments with your Debit Card using the digital wallet. If you share these credentials with another person, then any payments made by that person will be deemed to have been authorized by you. You must ensure that only your Proof of Identity credentials are recorded on your Electronic Device. If the Proof of Identity credentials of another person can be used to unlock the Electronic Device, then any payments made by that person will be deemed to have been authorized by you.

You must not use a digital wallet on an Electronic Device that you know or suspect has its security or integrity compromised (e.g., where the Electronic Device has been “rooted”, “jailbroken”, or had its security mechanisms bypassed). If you do, then any payments made using that Electronic Device will be deemed to have been authorized by you.

You must delete your Debit Card from your digital wallet if:

- you upgrade, change, sell, give away, or otherwise dispose of your Electronic Device;
- you temporarily give possession of your Electronic Device to any other person (including for repairs);
- you terminate your digital wallet service; or
- we ask you to do so.

33. DEBIT CARD MANAGEMENT – “Debit Card Management Service” means the service that enables you to: (1) ‘lock’ your Debit Card and ‘block’ certain transactions from your Debit Card, and (2) set certain spending limits on your Debit Card, until you adjust or remove those limitations. If we, through Electronic Services, make the Debit Card Management Service available and you use the Debit Card Management Service, you acknowledge and agree that:

- (a) The Third Party Service Provider’s ability to perform, and our ability to provide, the Debit Card Management Service is conditional upon the Third Party Service Provider having received a valid request from you through the Electronic Services which conforms to any specifications set by the Third Party Service Provider.

- (b) Nether we, nor the Third Party Service Provider, is responsible should you fail to deliver a valid request to the Third Party Service Provider for any reason, including, without limitation, any malfunctions of the Electronic Services, any failure by you to use the Electronic Services or other services properly, any problems with your mobile device, or any Internet or mobile service disruptions.
- (c) To use the Debit Card Management Service, you must have access to the Electronic Services on your Electronic Device, and you must use the Debit Card Management Service through the Electronic Services.
- (d) Only Debit Cards issued by us and processed by the Third Party Service Provider are eligible for the Debit Card Management Service.

34. SECURITY ALERTS – If we, through Electronic Services, make the Alerts Services available and you use the Alerts Services, you acknowledge and agree that:

- (a) The following terms will have the following meanings in this section (and elsewhere in this Agreement):
 - (i) “**Alerts**” means notifications about certain events or situations that we make available through the Alerts Services from time to time. Alerts may be sent by email, SMS text message and/or in certain instances, by push notification to an Electronic Device.
 - (ii) “**Alerts Section**” means the location in Electronic Services where you can select, manage and view your Alerts.
 - (iii) “**Alerts Services**” means the Alert notification service that we may offer through the Electronic Services.
- (b) we may make all or part of the Alerts Services available to you from time to time but we are not under an obligation do so;
- (c) the availability of the Alerts Services may also depend on whether the Alerts Services is supported by your mobile carrier;
- (d) the Alerts Section will allow you to select each type of Alert that you wish to receive and whether you receive it via email, SMS text message or push notification via mobile app, so long as you agree to abide by additional requirements set by us regarding the Alerts Services from time to time;
- (e) you acknowledge that we can, at any time and without notice to you:
 - (i) add or remove an Alert from the Alerts Services for any reason;
 - (ii) impose limits on the number of email addresses or Electronic Devices that you will be allowed to receive Alerts to; and/or

- (iii) limit how a particular type of Alert is made available to you (i.e. only by email or SMS text message, etc.);
- (f) Alerts are not encrypted and will be sent by a non-secure method such as email, text message or push notification;
- (g) Alerts may be lost, reviewed, intercepted or changed by others before they are received by you (including by others that may have access to your Electronic Device or email account); and
- (h) we do not charge for Alerts, but standard message and data rates may be charged by your mobile carrier. Your relationship with your mobile carrier is independent and separate from your relationship with us and is outside of our control. Any dispute that relates to the rates charged by your mobile carrier to view or access Alerts on your Electronic Device is strictly between you and your mobile carrier, and you agree to raise no defence or claim against us.

35. BUSINESS BANKING – The additional terms contained in this section will apply to your access and use of Business Electronic Services. If there is a conflict between the terms in this section and the general terms and conditions in this Agreement, the terms of this section will apply to the extent necessary to resolve the conflict. Each provision of this Agreement will apply to you, to the Business and to each Business User (in accordance with their designated access rights set out below) unless the language of the provision refers only to the Business and/or the Signing Officer.

The following terms will have the following meanings in this section (and elsewhere in this Agreement):

- (a) “**Business**” means the sole proprietorship, corporation, general partnership, limited partnership, limited liability partnership, unincorporated association or other business organization that we have approved to use the Electronic Services.
- (b) “**Business Electronic Services**” means the Electronic Services that we make available for use by or on behalf of Businesses and Business Users.
- (c) “**Business User**” means a Signing Officer or Delegate.
- (d) “**Delegate**” means any person authorized by a Signing Officer on behalf of the Business to undertake limited actions with respect to Account functions.
- (e) “**Signing Officer**” means any person authorized by the Business to provide any instructions or authorize any Transactions on the Account, and for whom notice of such authorization has been given to Synergy Credit Union.

Different Levels of Access – We may provide different levels of access to the Business Electronic Services for different categories of Business Users. A Business User’s ability to access the Account and use Business Electronic Services will be limited by the level of

access that we provide to him or her. It is the responsibility of the Business to ensure that the level of access we provide to a particular Business User is appropriate for that person.

By designating a person as a Signing Officer, the Business is authorizing that person to view information about the Business and to carry out online Transactions on behalf of the Business. In addition, Signing Officers are authorized to appoint Delegates on behalf of the Business.

If the Business requires more than one Signing Officer to authorize a Transaction then we may allow one Signing Officer to initiate a Transaction; however, the other Signing Officer(s) will generally be required by us to approve the Transaction. Nonetheless, we may (in our sole discretion) choose to receive or rely on instructions from any single Signing Officer on behalf of the Business even if two or more signatures are otherwise required to operate the Account (e.g., to sign cheques, etc.).

By designating a person as a Delegate, the Business is authorizing that person to access and view information about the Business and the Account. Delegates do not have the right to carry out online Transactions on behalf of the Business. Any Transactions which are started by a Delegate must be authorized by a Signing Officer (or Signing Officers, if dual authorization is required) before being completed. Notwithstanding the foregoing, some Delegates may be permitted or authorized by the Business to carry out certain Transactions subject to any additional requirements set by us from time to time.

We are not responsible for determining the adequacy of the authority of any Business User and we are entitled to rely on any instruction provided to us by a Business User which is within the scope of their designated authority as set out above. It is the Business's responsibility to verify the identity of each Signing Officer or Delegate at the time of his or her appointment and to provide that information to us when requested.

You further agree to diligently supervise and monitor the conduct and work of all agents having any role in the preparation of your Instruments, your reconciliation of the statement of account for the Account, or other banking functions.

Collection, Use and Disclosure of Personal Information – The Business will ensure that each Business User consents to the collection, use and disclosure of his or her personal information as required in order for us: (i) to verify his or her identity; (ii) to provide financial services and products to the Business, including to carry out actions and Transactions as the Business User may instruct; and (iii) to comply with legal and regulatory requirements.

Passwords – The Business will ensure that each Business User follows any additional duties in this Agreement, including the duty to carefully choose a Password, the duty to keep Passwords secret, and the duty to change Passwords and notify us if the Business User suspects that someone else knows a Password. In addition, the Business will ensure that each Electronic Device that a Business User uses to access Business Electronic Services on behalf of the Business has an up-to-date anti-virus program, anti-spyware program and a firewall, where such security measures are available for the Electronic Device.

Unauthorized Use/Entry Errors – The Business accepts responsibility for all liability that may arise as a result of: (i) a Business User authorizing a Transaction on behalf of the Business, whether with or without the Business’ specific authorization in any particular instance; or (ii) a Business User making entry errors. The Business also accepts responsibility for all liability that may arise from any unauthorized use, including a Business User misusing his or her authority in any way, either purportedly on the Business’ behalf or for personal or other purposes.

Indemnity by Business – The Business agrees to indemnify and save us harmless from and against all liability that may arise (other than due to our own gross negligence or misconduct), including legal fees and disbursements reasonably incurred by us, arising from a breach by the Business or a Business User of any part of this Agreement, or from our acting or declining to act upon any instruction or information given to us in accordance with this Agreement. This indemnity is in addition to any other indemnity or assurance against loss that the Business may provide to us and will survive any termination of this Agreement.

You may have certain rights with respect to User Data, including without limitation, the right to terminate access and require deletion. However, if you exercise such rights, we may not be able to provide you the DMM Services. Please see our privacy policies for further information regarding these and other rights you may have with respect to User Data. In the event we stop making the DMM Services available to you, User Data in our possession

or control will be safeguarded, deleted, and purged in accordance with our privacy and record retention policies and procedures then in effect.

Provide Accurate Information – You represent and agree that all information you provide to us in connection with the DMM Services is accurate, current, and complete. You understand and agree that the DMM Services are not sponsored or endorsed by any third party site. YOU ACKNOWLEDGE AND AGREE THAT WHEN WE OR MX ACCESS AND RETRIEVE INFORMATION FROM THIRD PARTY SITES, WE, OR MX, ARE ACTING AT YOUR REQUEST AND WITH YOUR PERMISSION AND AUTHORIZATION, AND NOT ON BEHALF OF THE THIRD PARTY SITES.

Third Party Accounts – With respect to any third party sites we may enable you to access through the DMM Services or with respect to any non-Credit Union accounts you include in the DMM Services, you agree to the following:

- (a) You are responsible for all fees charged by the third party in connection with any non-Credit Union accounts and transactions. You agree to comply with the terms and conditions of those accounts and agree that this Agreement does not amend any of those terms and conditions. If you have a dispute or question about any transaction on a non-Credit Union account, you agree to direct these to the account provider.
- (b) Any links to third party sites that we may provide are for your convenience only, and we and MX do not sponsor or endorse those sites. Any third party services, which you may be able to access through the DMM Services, are services of the listed institutions. If DMM Services are discontinued, your information shall be retained in accordance with this Agreement and our privacy policies.

MX may publish summary or aggregate results relating to metrics comprised of research data, from time to time, and distribute or license such anonymous, aggregated research data for any purpose, including but not limited to, helping to improve products and services and assisting in troubleshooting and technical support. Your personally identifiable information will not be shared with or sold to third parties.

Ownership – You agree that we and MX, as applicable, retain all ownership and proprietary rights in the DMM Services, associated content, technology, mobile applications and websites.

There are no representations or warranties made by us to you concerning Electronic Services except for the representations, warranties, and obligations of Synergy Credit Union as expressly set out in this Agreement. Any advice, information, or statements provided by us or any Third Party Service Providers, agents, or their representatives, whether oral or written, will not create any representation, warranty, or condition or vary or amend this Agreement, including the above liability exclusions, liability limitations, release and indemnity provisions, and you may not rely upon any such advice or information.

- 38. SOFTWARE LICENSE** – If you download software that we make available to you in connection with your use of any of the Electronic Services, we grant to you a non-exclusive and non-transferable single-user (non-concurrent) license for such software for your use only. We will not under any circumstances be liable for direct damages or any other damages or losses suffered by you or any other person, where you could with reasonable diligence have obtained coverage for the damages or losses with a commercially available policy of insurance.

The limitations in this article apply to any act or omission by us or by any of our team members, whether or not the act or omission would otherwise give rise to a cause of action in contract, tort, statute or any other doctrine of law.

41. **NOTICES** – Any notice required or permitted to be given to us in connection with this Agreement must be provided to us (a) at the address or fax number for us set forth in the Account Agreement, or if permitted by the Account Agreement, addressed and delivered to us by authenticated electronic communication in the manner set forth in the Account Agreement; or (b) by phone or in person at one of our branches; provided that (i) we will not be considered to have received any such notice that is not in writing until we give you written acknowledgement of our receipt of such notice; and (ii) if the Account Agreement requires a notice to us to be in writing, you must deliver such notice to us in writing in accordance with clause (a). Notwithstanding the foregoing, you may not assign this Agreement or transfer any of your rights under this Agreement to any party, and any purported attempt to do so will be null and void.

Les parties conviennent que la présente convention et tous les documents s’y rattachant soient rédigés et signés en anglais.
